DIFFERENTIATORS

Veteran-Owned & Operated: Military discipline, attention to detail, and mission-focused execution on every project. Competitive pricing paired with consistent high-level results. **Trained & Certified Team:** Industry-certified professionals with hands-on training and safety compliance. **Advanced Cleaning Methods:** Use of modern equipment, purified water systems, and environmentally responsible cleaning solutions. **Reliable & Responsible:** Timely service, clear communication, and dependable project completion.

PAST EXPERIENCE

Exterior Cleaning, Nims Elementary School, 7/1/24 – 7/8/24

- Soft Washed all exterior of building including the cornice, brick, and stone exterior. Rust & efflorescence removal on parts of building. Washed all exterior windows with a four-stage water purification system. Edged and surface cleaned all sidewalks around building and property. Rented self-propelled 66' Straight Boom with JIB for week to reach the top of the 3-story tall building.

Exterior Cleaning, Residential Home in North Muskegon, 8/12/24 – 8/17/24

- This home is 12,210 SQFT with a beautiful guest house, and pool house overlooking Muskegon Lake. We did a complete exterior cleaning of this home that included soft washing the asphalt shingle roof & exterior of the house, gutter cleaning, window cleaning inside & out, all concrete around the pool, patio, sidewalks, driveway, and garages.
